Film Reviews:

Race 5, June 17, 2018, Ademar Santos, raising hand above head level while urging. Mr. Santos has been riding here for the past month from Tampa Bay Downs in Florida. He stated that he has a habit of dropping his head as he urges left handed. This was viewed and accepted and was issued a caution, to be aware of it when urging with his left hand and make necessary adjustments.

Race 6, June 17, 2018, Tony Maragh, raising hand above head level while urging. Upon review, it was apparent the urging was borderline and the Stewards issued a caution.
