REGULATIONS AND INFORMATION

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by the Canadian Department of Agriculture and Agri-Food ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 years shall purchase or cash a ticket or voucher.

A claim that a wrong ticket has been issued must be made before the customer leaves the teller's window. A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty-four hours of buying or cashing a valid ticket or voucher. No ruling made by the Stewards/Judges or the Alcohol and Gaming Commission of Ontario with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the payout prices or distribution of pari-mutuel pools. Notice boards and Photo Finish display boards are located in the Clubhouse, in addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING INCLUDING LATE DAILY DOUBLE

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double. The Daily Double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the Daily Double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has been declared official, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool.

EXACTOR BETTING

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interests to finish, in the exact official order of finish in the race on which the pool is operated. If the same betting interest finishes first and second (i.e., 1-1, 2-2) the exactor payout will be on those horses finishing first and third.

TRIACTOR BETTING

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different betting interests to finish, in the exact official order of finish in the race on which the pool is operated.

SUPERFECTA WAGERING

A Superfecta bet is a betting transaction in which a purchaser of a ticket undertakes to select the first four horses representing different betting interests to finish, in the exact official order of finish in the race on which the pool is operated.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race.

That jackpot portion of the pool will only be paid out if there is a SINGLE winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

WIN 4, ROLLING PICK 3 AND PICK 5 BETTING

The Win 4, Rolling Pick 3 and PICK 5 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of four, three or five successive races specified for the Win 4, Rolling Pick 3 or PICK 5 respectively. Winning tickets for the Win 4, Rolling Pick 3 and a mandatory payout of the PICK 5 are determined in the following sequence: A) winners of all legs; B) most winners; then refund. If there is a surface change in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners on any leg of a pool, the entire pool is refunded.

WIN 4, ROLLING PICK 3, AND PICK 5 SCRATCHES

In the event a Win4, Rolling Pick 3 or PICK 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Win 4, Rolling Pick 3 or PICK 5, the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection. However, if a scratch occurs in any leg of the Rolling Pick 3 or Win 4 & PICK 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start.
